

# Newsletter May 2022

TOWN HALL HOURS MONDAY THRU THURSDAY 7:00 A.M. TO 6:00 P.M.

## IRRIGATION SCHEDULE

Residential irrigation- odd numbered addresses or no addresses may water only on Wednesday & Saturday, not between 10am-4pm

Residential irrigation—even numbered addresses or no address may water only on Thursday & Sunday, not between 10am—4 pm

Non-residential irrigation– may water on Tuesday & Friday, not between 10 am—4 pm

## DON'T FORGET TO PULL A PERMIT

When making repairs, replacements or additions around your home, make sure to apply for a permit. This includes work contracted out and owner/builder projects such as fences, roofs, sheds, tree removal, pools, etc. Check on the town webpage [mymontverde.com](http://mymontverde.com) for list of when you need a permit. There is a penalty for work performed without a permit. Contact Town Hall to make sure you have the proper documents.

## Library News

New hours are 8:30 to 6:30 Monday thru Thursday. In May, Lake County Library System will forgive library fines for overdue materials in exchange for donations of dry or canned food items, hygiene, baby products, and packaged pet food. Unopened, Unexpired food may be donated with a \$1 per item credit on fines. Fines will not be forgiven for lost or damaged items. We will gladly accept donation to put towards Montverde patrons that have fines. Mother's Day is May 8th. We will be offering a small craft for children 6 years old and under to make for their special person 11 AM & 1 PM Tuesday May 3<sup>rd</sup> or 12 PM till 2 PM Thursday May 5<sup>th</sup>.

Thank You, Kathleen & Mary

## Mayor Joe's Message

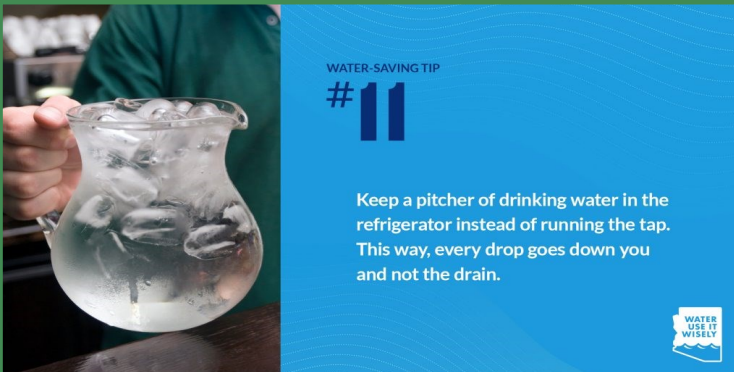

Hello, hope you and the family are staying safe and doing well. First, I would like to say job well done by the Townhall team for our Easter Egg hunt and Spring Concert series. I hope you were able to get out and be a part of this event.

One item I have been talking about for a while in the newsletter is the speeding problem in Montverde. We have this topic going in front of the County Commissioner's lead by Sean Parks with the two solutions your Council wants to be put in place ASAP. One is a stop sign on CR455 at the corner of Fosgate and another stop sign on the corner of Hillside Drive. These two stop signs will slow down the traffic going east and west on CR455 on that side of town. I will update you on what happens after the meeting.

Another topic that has been at the top of my list is the ongoing growth in our area. The Council is discussing different ideas to better manage and be involved in decisions that affect areas that border the Town limits. I am sure as you drive around the area you see the growth and how close it is getting to Montverde. We have certain things in place that help your Town Government with giving direction to the County on this topic, but it is limited. I would like to see the Town have more control in the growth decisions of the areas surrounding us. These unincorporated Lake County areas around Town are The Trails of Montverde, Fern-dale, and Vinola Gardens. I feel we must stay on top of what is being built and the density and zoning in these areas. The Council is planning on having this topic in our Council meetings, please attend or watch the meetings on Zoom so you can stay better informed.

The Town will be discussing the budget for 2022-2023 soon. Please let me know if you have anything you would like for the Town Council to consider for your next years Budget.

Many Thanks  
Joe Wynkoop  
407-496-1673 cell

### Town Council

Mayor, Joe Wynkoop

Vice Mayor, Jim Ley

Councilmember, Bill Bates

Councilmember Allan Hartle

Councilmember Judy Smith

## MOVING IN OR OUT OF TOWN

If you are new to the community, one of the first things you will want is water service. Get your water turned on and your trash picked up by completing and returning the [Utility Service Request Form](#) to Town Hall.

If you are moving out of the community, you will want to have these services terminated so you do not accrue unnecessary charges. Please use the [Utility Service Request Form](#) to end these services.

### Who is responsible for replacing streetlights?

You will need to provide the pole number and address where the pole is located to either of the following utility companies:

- Duke Energy (800-700-8744)
- SECO (352-357-5600 or 352-429-2195)
