TRASH COLLECTION

The Town has had many calls regarding notices that their trash collection and recycling pick up days were changing. This only applies to homes in unincorporated Lake County. There are no changes for Montverde residents.

NEWS FROM YOUR FIRE DEPARTMENT

OCTOBER IS FIRE PROTECTION MONTH

At this time of year, remember to change the batteries in the smoke and carbon monoxide detectors in your home. Practice exit drills with your children and family and have a predetermined meeting place away from the building to meet at in the event of a fire in your home.

If you do have a fire, do not try to put it out yourself. Fire doubles in size every 18 seconds. Exit the building staying low to the floor, crawl to the nearest exit and go to your meeting place. Call 911.

HAVE A SAFE MONTH

LIBRARY NEWS

New Library Hours were effective from September 2nd. You can view the new hours on the website, www.mymontverde.com. The feedback has been very positive with more students coming in after school and residents after work.

The library has acquired a new DVD system which will make checkout much easier. It now has over 200 DVD's. Kathleen would like to thank Carl, our Assistant Librarian, Linda Goff, Youth Services Director from the Lake County Library system and our High School Volunteer Erin Hopkins for all their help in getting the new system implemented.

The library will be starting story time for pre-school children on October 10th at 11am. Please come and join us.

The County Library System will be changing the software at all county libraries on September 29th so we would ask for your patience while the staff are getting used to the new system.
