Message from Mayor Joe

Hello,
I hope you and your family are doing well and staying safe.

Good news from our Fire Department, we were scheduled to have an ambulance based at Montverde's fire station in late 2022. It was announced at our September Council meeting by the Battalion Chief of Lake County Fire Department that they have stationed an ambulance in Montverde seven days a week from 9am to 9pm. This has been one of your Council's main initiatives over the past three years and it is great to see it all coming together quicker than originally planned. The Ambulance will be 24/7 in the near future.

Other good news is the Publix on Hancock road is now open and this will help our Montverde residents a lot when the Turnpike bridge for the Publix on Highway 50 closes soon for 14 months.

I recently sat with the City Manager of Groveland and he informed me that Groveland will soon be adding another NEW 1 million square foot of commercial space for two new businesses. Amazon and Kroger's are already operating in Groveland, with the new building and adding 5,000 new jobs in our area. This will allow many folks to live and work in Lake County and not have to drive to Orlando everyday.

We will be holding our world famous Trunk or Treat Halloween celebration this year on October 30th next to the Community Building . Get your costumes ready and come participate in this fun event. As always if I can help you with anything please feel free to call me at 407-496-1673.

Many Thanks.
