TOPIC OF DISCUSSION:

POTENTIAL CENTRAL SEWER SYSTEM IN MONTVERDE

The Town of Montverde is EXPLORING the POSSIBILITY of a central sewer system that would serve the downtown area and a few select neighborhoods in town. Join us at our Open House to LEARN about the \$8 Million Grant the Town received for this potential project. You'll SEE exhibits that EXPLAIN how the system would work and WHY it is being considered. DISCOVER the BENEFITS of having a central sewer system for you, the town, and our lakes. Don't miss this opportunity to provide your VALUABLE INPUT and have your QUESTIONS ANSWERED prior to the Town Council hearings in the Spring.

Location: Montverde Town Hall, 17404 Sixth Street, Montverde, FL 34756
